

YALE LITERALLY SMOTHERS LEHIGH

At No Time Are Visitors Able to Withstand Eli Attack.

[Special to The Times-Dispatch.]
New Haven, October 18.—Yale literally smothered the Lehigh eleven today, 27 to 0, in the first football game between the two institutions. At no time were the visitors able to hold the Eli attack, and five touchdowns were put across, with four goals and one goal from placement.

Cornish started for Yale, scoring three touchdowns, but the work of Nate Wheeler was even more spectacular. Given the ball in the center of the field, Wheeler put the ball over in three plays in which he carried the pigskin. Wilson twice made runs of thirty yards.

Lehigh was never within the Bull Dog's thirty-yard line, and rarely made a first down.

In the final period, a forward pass from Wilson to Ainsworth was caught behind the Lehigh goal posts for the fourth score.

AUTOMOBILE CLUB ANNUAL MEETING

The annual meeting of the Richmond Automobile Club will be held at the Jefferson Hotel to-morrow night at 8 o'clock. All members have been notified, and it is expected that a full attendance will be recorded, as there is considerable business of importance to be transacted.

A. G. Butcher, chairman of the executive committee of the American Automobile Association, will be present and will outline the work of the annual convention of the American Automobile Association to be held in Richmond, December 1-3. He desires to meet personally every member of the Richmond Automobile Club.

RANDOLPH-MACON ACADEMY DEFEATS BINGHAM SCHOOL

[Special to The Times-Dispatch.]
Bedford City, Va., October 17.—Randolph-Macon Academy played her best game of the season to-day against Bingham School of North Carolina, defeating the visitors, 55 to 0. The Randolph-Macon line, which is made up entirely of new material, had until today shown little aggressiveness, but to-day it showed marked improvement, and literally rushed the North Carolinians off their feet. Bingham made the most dramatic drive of the game, but once Randolph-Macon seems at last to have struck her stride. The good work of the line enabled the fast backfield to work to advantage.

R. C. SCRUBS DOWN BLACKSTONE TEAM

Johnson, Heubi and O'Neil Score Touchdowns, and Heubi Kicks Two Goals.

Blackstone, Va., October 18.—The Richmond College Scrubs overwhelmed Blackstone Academy in one of the fastest games witnessed here this season. The final score was 20 to 0, with the college Scrubs clinging to the large end.

In the first half neither side worried over the safety of their goal. The ball was kept in the middle of the field, and when the whistle blew that closed the first half, the ball was on Blackstone Academy's 45-yard line. The ball did not pass either of the 20-yard lines.

The third quarter was the end one for the Academy, as the College Scrubs made two touchdowns and kicked both goals. Johnson made one touchdown and Heubi the other. Heubi kicked both goals. In the fourth quarter, by line plunges for 45-yards, O'Neil was sent over the goal line for the third and last touchdown of the game.

were held for downs in the centre of the field and a second touchdown was secured by a long forward pass to Cuthrell, and a twenty-yard run by Trust. Savage missed a pretty try at goal.

In the last period Wake Forest threatened to score again, but with the ball on his fifteen-yard line on the fourth down, Anchorrow intercepted a forward pass, and made a brilliant run for sixty yards. However, the ball was brought back on account of the Spider line being off side. Richmond punted, Billings bringing the ball back ten yards. Anchorrow intercepted another pass, and carried the ball for a thirty-yard gain, with the ball on their three-yard line and two minutes to play, the Spiders were thrown for losses on two successive downs. On the third down, Privet got away with a forward pass for Richmond's second touchdown. Anchorrow kicked his second goal, winning the game.

The features for Richmond were runs of Robbins, line plunging of King and the all-round work of Anchorrow, who, in addition to making several long gains, executed the best forward passes ever seen on the field here.

The features for Wake Forest were the work of Savage, Trust and Stringfield in the back field, and the playing of Shepherd at centre. Line-up: Wake Forest. Position. Richmond. White.....right end.....Newton

CHANDLER LIGHT WEIGHT SIX

The Chandler Light Weight Six at \$1785 is one of the highest class six cylinder cars ever offered under \$3500. No other car approaching it in price has ever embodied such complete and high grade equipment, such perfection in details.

The Chandler Six is possible at the price because it is built by men who have had years of experience in building successful sixes of the highest price—sixes of world-wide reputation. Because of their previous experience they save in the cost of the Chandler the great experimental expense otherwise necessary.

Fully equipped and ready for the road the Chandler Light Weight Six weighs less than 3,000 pounds, actual scale weight. It is probably the lightest car of its size and power ever built. Don't buy a car until you know its weight. A heavy car means heavy up-keep expense.

ENGLISH WOMAN GOLF CHAMPION

(Continued From First Page.)

Six strokes behind, but carrying her opponent all of the way home, and losing by only two holes, is a story that in itself is all the tribute that Miss Hollins needs.

A drizzling rain was beginning to fall, when the match began, and although it cleared now and then, it generally began to rain again with renewed vigor, and by the time the last few holes were reached, it had assumed the proportions of a shower. The cards: Miss Gladys Ravenscroft, England: Out.....6 4 6 4 6 6 5 44—51
In.....6 4 5 4 6 4 4 5—41—56
Miss Marion Hollins, New York: Out.....5 3 8 4 6 3 6 5—47
In.....5 6 5 4 7 2 4 5 5—44—51

As a result of Miss Ravenscroft's victory, the Robert Cox cup will go to the Bromborough Club, in Cheshire, England, for the coming year.

Miss Ravenscroft received a gold medal, Miss Hollins, the runner-up, a silver one, while the two semi-finalists, bronze medals were won by Miss Harriet S. Curtis, of Boston, and Miss Muriel Dodd, of England.

Injured in Football Game. Lynchburg, Va., October 18.—J. B. Gibson, of the Roanoke High eleven, was injured in the game here to-day, and he was taken to a hospital. Later, however, he was able to come downtown and went home with the squad. A blow on his head put him out for a time, and report that his skull was fractured proved unfounded.

BUILT BY MEN WHO KNOW

On account of its light weight the Chandler Six will run more than 16 miles on one gallon of gasoline, and many hundreds of extra miles on one set of tires, making it not only a car you can afford to buy, but a car you can afford to run.

Notwithstanding its light weight, the Chandler Six is strong and sturdy—a roomy, luxurious car of graceful design and unusual comfort.

We claim the motor in Chandler Six to be without equal in any car at any price—a strong statement, but we believe in it honestly. With it you can travel from 3 to 55 miles per hour on high gear. Its "pick-up" is astonishing.

JAMESTOWN MEET TO LAST 15 DAYS

(Continued From First Page.)

formers, have spoken for reservations for fifteen head, and to the best of these turfmen's charges will be added the imposing stable which the elder Garth trains for Colonel Ral Parr, the Baltimore financier, who always has been partial to Norfolk as a racing centre. The Garth-Parr confederacy has been much in the limelight this past summer. During the month of September, when Saratoga revived its past glories, this stable was divided, and part of it was sent to the Spa, while the remainder campaigned on the big circuit in Canada.

The two-year-olds, which Garth trains for Colonel Parr, mostly the get of Fatherless and Glorifier, both of which have been at the Ellerslie stud of Colonel A. B. Hancock, have turned out remarkably well. Their performances, both in Saratoga and in Canada, during the summer, stamped the best of them as future possibilities to be reckoned with in the decision of next year's three-year-old stakes. As a result, the Merchants' Selling Stakes, of \$1,000 for all ages at six furlongs, at the Lynnhaven Hotel handicap, for two-year-olds at the same distance; the Monticello handicap, at a mile for all ages, and the Thanksgiving Selling handicap, at a mile and a sixteenth, for all ages, all promise to have a contestant in their fields from this racing establishment.

The latest request for stable room received to-day, was from Gwyn R. Tompkins, who will come down from Pimlico with a useful string, while Hunter Breckinridge, Theodore Coles and Captain H. H. Emmons are other Virginia turfmen whose colts will be prominent during the meeting.

Capt. Philip M. Walker, the retired army officer, from Winchester, who has been partial to Jamestown, and his stable, or at least a portion of it, will be shipped here at the conclusion of the meeting at Latonia. Captain Walker has in his stable the champion performer Ambrose, which Mrs. Payne Whitney, under the nom de course of the Greenettes stable, formerly raced here in her colors. Ambrose just now is at his best, having won three of his previous four starts, and right now seems able to hold his own in the highest class of best selling and handicapping company.

Captain Emmons, who hails from Roanoke, has turned out his gallant distance and weight-carrying performer Rudolfo for the year, but his two-year-old Ovation has been going along well, and he expects to knock down a purse or two with this youngster over the season ends.

Track Superintendent Bob Miller wired Manager Levy this afternoon that he would be on hand at the course Monday morning, and from then on it will be activity from the start at the track by the water's edge. Although Superintendent Miller had intended to remain until the conclusion of the Laurel meeting, the daily arrival of horses from other racing points, and the assurance that every stall at the plant will be occupied before the meeting starts, made it necessary that he come down at once.

The present year will be chiefly remembered in the days to come as being distinguished for the uniformly high quality of two-year-olds sent to the races, and at Jamestown, as has been the case throughout the racing season, two-year-olds promise to be in the majority. The good advantage of the casual racegoer of this condition is patent, for wide-open contention of the keen sort which begins at the barrier's rise and lasts until the closely-

The result will be, Manager Levy believes, that the class of contention in all the stakes, which two-year-olds are to eliminate many highly-thought-of two-year-olds, which had come to the races in the spring with brilliant breeding lines and high private trials to their credit.

But when they met others in their division and of their age, many hopes of fond owners were shattered. As a result only the best of the year in this class are now being honored with stake nominations. All along, however, the surpassing youngsters of Kentucky and their equally-meritorious rivals in the Canadian and Saratoga season served to eliminate many highly-thought-of two-year-olds, which had come to the races in the spring with brilliant breeding lines and high private trials to their credit.

East had lacked an opportunity to clash. Such an opportunity, however, will come at Jamestown, for the pick of Kentucky horses, which will race out the winter at Charleston, will be on hand, ready to measure stride with the best from Canada and Maryland. may well feel proud.
